

Serial No.: 10/531,147
Filed: April 12, 2005

REMARKS

On October 24, 2005, the Patent Office mailed a Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected office (DO/EO/US). In accordance with the requirements of 37 CFR Sections 1.821-1.825(e), Applicants are providing herewith the Sequence Listing on a Compact Disc-Recordable [CD-R].

In accordance with the requirements of 37 CFR Section 1.52(e) and 1.77(b)(5), the sequence listing contained on the attached CD-R is formatted for an IBM-PC, with an MS-Windows operating system compatibility. The file contained on the CD-R is entitled "Sequence Listing P5102R1", created on December 21, 2005; the byte size is 13,507,329 KB (12.8MB).

The sequence disclosures in the Sequence Listing are fully supported by the specification as filed, and as such, do not introduce or contain new matter.

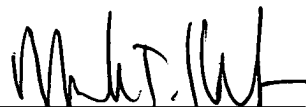

In the above amendment, Applicants have requested entry of the Sequence Listing into the Specification.

Claims 1-185 were originally pending for prosecution in this application. Applicants have herein canceled Claims 1-14 and 30-185, thereby leaving Claims 15-29 pending for prosecution herein.

The claim amendments and additions made herein are presented by the Applicants in an effort to expedite prosecution of the above captioned application. Applicants respectfully request entry of these amendments and prosecution on the merits. The Examiner is invited to contact the undersigned at (650) 225-4461 if any issues may be resolved in that manner.

Respectfully submitted,

GENENTECH, INC.
